Mr. Ekramul Bari
... For the applicants/petitioners

It is unfortunate to note that several matters like the instant two contempt petitions which are disposed of finally are still shown as pending matter in the records and have been placed in the list. Both the contempt applications were disposed of finally by an order dated 3rd May, 2007 which is available in the file.

The Department/Registry should scrutinise the records and correct the same before placing a matter in the list so that there is no repetition of like nature when a disposed of matter is shown pending and placed in the list.

Since the Rules and the applications for contempt have already been disposed of finally on 3rd May, 2007, there is no requirement for passing any further order.

Both the contempt applications are directed to go out of the list.

A copy of this order be sent down to the Department/Registry for necessary action.
